

Calling all Parents and Grandparents

Home-Start Reading is looking for volunteers to make a weekly visit to young families who are going through a difficult time and who have asked for help. Volunteers get free training, all their expenses paid and an opportunity to make a difference to the next generation.

Home-Start volunteers have said, "Home-Start has been a positively life-changing experience for me" and "It is sometimes difficult to see who benefits most - myself or the family!"

A family who received visits from volunteer said, "Knowing that someone cares is wonderful. The feeling of loneliness and despair disappears entirely."

Thank you very much for your help.

Yours sincerely,
